AMERICAN DEBT COUNSELING, INC. MEETS IN WASHINGTON, D.C. WITH OFFICES OF CONGRESSWOMAN DEBBIE WASSERMAN SCHULTZ FOLLOWING HOMEOWNERS' ASSISTANCE WORKSHOP HELD IN DAVIE, FLORIDA

SUNRISE, Fl.- Alan Silverberg, the owner of American Debt Counseling, Inc., a 501(c)(3) Non-Profit Corporation, today announced that on June 10, 2008, ADC met in Washington, D.C., with the offices of the Hon. Debbie Wasserman Schultz, United States Representative (D) for the 20th District of Florida. Congresswoman Wasserman Schultz, now in her second term, has been endeavoring to create and present effective means by which her constituents can withstand the present foreclosure crisis, which has hit Florida particularly hard, and Mr. Silverberg had several ADC employees attend a May 27, 2008 Homeowners' Assistance Workshop organized and presented by the Congresswoman to assess if ADC, a leading member of the primary organizations certifying Credit and Debt Counseling Services, could integrate its debt and credit counseling expertise in manner useful to the needs of the Congresswoman's constituents.

Following the June 10, 2008 meeting in Washington D.C. with Congresswoman Wasserman Schultz's office, it became apparent that ADC is in a position to offer many educational, credit and debt counseling services to the citizens of the 20th District, and in the very near future ADC anticipates the presentation of certain progressive programs and ideas that are consistent with the needs which originally led the Congresswoman to organize her Homeowners' Assistance Workshop.
